Summary — Final year Computer Science student with hands-on experience in Python full stack development. Skilled in Django, React, MySQL, and modern web technologies. Certified by E&ICT Academy, IIT Guwahati. Completed multiple client projects with a focus on clean, scalable solutions.

Internship

Fintechedu Solution Pvt. Ltd.   **May 2025 – Present**
Frontend Developer Intern

- Developed responsive and dynamic user interfaces using **React.js** and **Tailwind CSS** in live Frontend project.
- Collaborated with the development team using **Git** for version control and participated in **code reviews**.
- Gained hands-on experience with real-world development workflows, agile practice and **UI/UX principles**.
- Took part in weekly progress reviews and contributed to the final project presentation and documentation.
- Conducted performance testing, resolving top stability issues and reducing crash rates by 90%, improving reliability.

Skills

Frontend: HTML, CSS, JavaScript, React.js	**Soft Skills** Problem Solving, Logical Thinking, Good
Backend: MongoDB, MySQL, Django	Listener, Adaptability
Languages: c, c++, Python, Java, Kotlin	

Projects

E- Commerce
XML, Java, Firebase, Android Studio

- Built two Android apps: a farmer trading app (500+ users) and a student utility app (1,000+ users) for notes, PYQs, and faculty info.
- Improved rural retention by 40% with low-bandwidth UI; added features like project ideas and games, boosting student engagement by 30% .
- Integrated Firebase (99% uptime) and Razorpay (500+ transactions), reducing transaction time by 50% and ensuring real-time updates.

Agro Galaxy – Agricultural eCommerce Platform   **Link**
Next.js, TypeScript, Tailwind CSS, Node.js, Express.js, MongoDB, JWT Auth

- Built an intuitive and fully responsive eCommerce platform tailored for farmers and gardeners to buy agriculture products.
- Implemented JWT-based authentication to manage user access and protect user sessions
- Enhanced performance and usability through mobile-first design, intuitive UI, and optimized data interactions with MongoDB

Education

SAGE University Bhopal   **2022 – present**
Bachelor of Technology in Computer Science Engineering   *8.22 CGPA*

Certifications

- Advanced Certification in Python Fullstack Organised by E&ICT Academy IIT Guwahati [Certificate]
- Advanced C from Infosys [Certificate]
- Java [Certificate]
- Androids Development certification from Internshala [Certificate]
- Android App Development Certification of Training [Certificate]

Achievements

- 2nd place – Bhopal Inter-college Ideathon for a clothes-to-cash startup promoting reuse and employment - [Credential]
- Achieved 2nd rank in an intra-college ideathon for presenting a tech-based innovative solution.
- Distinguished Sageian Award
